Appropriations Recommendation	<b>\$94.00</b>

### Rationale of the Committee

---

The Appropriations Committee recommends funding the SAFC at \$94.00 for the 2016-2018 By-Line Funding Cycle. The Appropriations Committee recognizes the increased need for support to registered student organizations because of their growth and inflation, and they appreciate the immense amount of work the SAFC has done to improve their organization through help sessions and a desire to hire a diverse set of commissioners. The Committee encourages the SAFC to continue to balance their desire to financially support organizations to a greater extent with their ability to fund more organizations at a lower level. Finally, the Appropriations Committee continues to believe that the SAFC should reserve a minimum amount of money to use for special projects funding during the middle and end of the semester.

### Vote Totals
