Dear Brian,

Thank you for forwarding the 2009-2010 Graduate & Professional Student Assembly (GPSA) Concurrent Assemblies Resolution: Expressing Support for the Cornell University Climate Action Plan (CUCAP). I wanted to express my appreciation for the careful consideration and the support provided by the Assemblies for the Plan. The CUCAP represents a significant step forward for the University and will require the efforts of the entire Cornell community to make it a reality, which is why the support you offer is so critical.

I appreciate the excellent work that you and your colleagues undertake on behalf of Cornell and wish you luck with your forthcoming endeavors.

Best regards,

David J. Skorton
