## Student Assembly R. 59: Conflict Resolution During Meetings

*Sponsor: Yamini Bhandari on behalf of Jordan Berger (jrb476)*

*Propose on February 24th, 2014*

- 1     Whereas, members of the Student Assembly should have an opportunity to express their  
2     grievances regarding internal operations,  
3  
4     Whereas, most conflicts do not require immediate attention from the Executive Committee,  
5  
6     Whereas, addressing unnecessary conflicts during meetings creates discomfort for everyone in  
7     attendance,  
8  
9     Be it therefore resolved, that Rule 10 be added to Section V: General Meeting Procedure,  
10    Rule 10: Upon receiving an unsatisfactory response from the Chair, a member may ask once  
11    for clarification of the Chair's action. Any further discussion should be addressed to the  
12    appropriate member of the Executive Committee immediately after the meeting or at an  
13    Executive Committee Meeting.
