	S.A. Resolution #32 Appending the Referenda Process
<u>Sp</u>	<u>onsored by</u> : David Vakili '16, Juliana Batista '16
W	hereas, the Student Assembly Charter (Article III, Section 8) states that, "the SA will have the authority and responsibility to conduct public hearings, forums, and referendums concerning topics of current student interest, and to determine in other appropriate ways students needs and opinions;"
W	hereas, Article III, Section 2 states that a referendum "is an action of the SA to determine community opinion regarding matters of student concern;"
W	hereas, a referendum is a call-for-opinion and a petition is a call-for-action;
W	<b>hereas,</b> the current SA charter states nothing more regarding the referenda or how the referendum process should be undergone;
Be	<b>it therefore resolved</b> , that Article III Section 2G of the SA charter be amended as follows (all proposed changes in bold):
	G. Call for a <del>Sense-of-the-Community Referendum</del> <b>Referendum</b> is an action of the SA <b>student body</b> to determine community opinion regarding matters of student concern;" and
Be	it further resolved, that Article III Section 8 of the SA Charter be amended as follows:
The	e SA will have the authority and responsibility to conduct public hearings, forums, and referendums concerning topics of current student interest, and to determine in other appropriate ways student needs and opinion
	<ul> <li>A. At two times during the course of the fall and spring semesters, a student or student group (referred to as the "submitter") may submit a referendum of any topic of current student interest to the Student Assembly general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan to collect at least 450 undergraduate signatures) according to the following procedure:</li> <li>1. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response.</li> </ul>

42	Once the submitter has started gathering signatures, the question
43	may not be changed or modified in any way.
44	2. Submitters must collect signatures (defined as a willfully submitted
45	record of first name, last name, and NetID) exclusively from
46	registered undergraduate students at Cornell University. Digital and
47	print solicitation methods are permitted, provided that the
48	referendum question and sponsoring student or student organization
49	are clearly visible. An electronic form (ex, Google form) may be used
50	to gather the names and NetIDs of students, but the final submission
51	must be on the appropriate form provided by the Office of the
52	Assemblies.
53	3. The deadlines for submission of referendums will be a date to
54	coincide with the deadlines of the election materials for the Fall and
55	for the Spring.
56	4. All deadlines will be advertised through the SA monthly newsletter as
57	well as the other usual publicity instruments.
58	5. Once a referendum question with the appropriate number of
59	signatures has been submitted, the SA general body will roll call vote
60	by simple majority whether to hold the referendum. The vote will also
61	make the provision for two collective community votes. If the SA
62	votes by simple majority to NOT hold the referendum, the submitter
63	may overturn the decision of the SA by collecting the signatures of at
64	least 10-percent of the registered undergraduate student body using
65	the same method described in section A.2.
66	6. Once a referendum is approved or has gathered the support of at least
67	10-percent of the registered undergraduate student body, the
68	following timeline will be observed:
69	a. STATEMENT PERIOD. The Student Assembly Executive Vice
70	President will put out a call for pro or con statements regarding
71	the referendum question. Any member of the Cornell
72	community may submit a statement. Each statement will be no
73	longer than 300 words. The statements must pertain to the
74	topic of the referendum question. The deadline for pro or con
75 76	statements will be seven (7) days from when the call was first
76 77	made public.
77	b. PROMOTIONAL PERIOD. Once the seven-day statement period
78 70	has ended, the Student Assembly Vice President for Public
79 80	Relations has a period of three (3) days to promote the
	referendum question and any submitted statements. The Office
81 82	of the Assemblies will distribute via email to all registered
02	undergraduate students the following: information on when

0.0	11
83	and how to vote in the referendum, the referendum question,
84	and any pro or con statements submitted.
85	c. VOTING PERIOD. The Office of the Assemblies will conduct the
86	referendum on the next business day following the conclusion
87	of the promotional period. The voting period will be exactly 36
88	hours. The Office of the Assemblies will display any pro or con
89	statements submitted during the statement period on the poll.
90 <b>7.</b> T	he Office of the Assemblies will publicly release the results of the
	eferendum within one business day following the conclusion of the
	oting Period, including the percentage of the undergraduate
	opulation that voted.
<b>.</b>	a referendum has a majority of "yes" votes, then the President of
	ne Student Assembly will communicate the referendum question, a
	ummary of each side of the argument, and the results of the
	eferendum to the Office of the President in the form of a referendum
	ction.
